

MASTER OF SCIENCE IN PSYCHOLOGY

PREPARE FOR DOCTORAL-LEVEL STUDY IN PSYCHOLOGY OR A CAREER IN THE BEHAVIORAL SCIENCES

with Villanova University's research-focused, full-time MS in Psychology.

WHY VILLANOVA?

- Thesis-based program taught by experienced, research-active faculty
- Two-thirds of recent graduates have entered a doctoral program within two years
- Ranked in the Top 10 in research productivity among master's level programs

Recent graduates have enrolled in doctoral programs at Brown, Cornell, Columbia, the University of Pennsylvania, UC Berkeley, NYU, Penn State and many others.

Stop by our booth at EPA or contact graduate program director Michael Brown at michael.brown@villanova.edu.

YOUR PASSION. YOUR FUTURE.
